**UNDERGROUND STORAGE TANK REAL ESTATE TRANSFER
DISCLOSURE FORM**

(FOR USE WITH ALL PROPERTIES OTHER THAN SINGLE FAMILY HOMES)

The Underground Storage Tank (UST) Management Act of 1990, as amended, and implementing regulations, require that sellers of real property in the District of Columbia inform prospective purchasers in writing, prior to entering into a contract for sale, of the existence or removal of any USTs of which the seller has knowledge. If the sale is of commercial property, seller is also required to inform prospective purchasers of any prior use of the property of which seller has actual knowledge which suggests the existence of tanks on the property. (For example, if seller knows there was formerly a gas station at the site, he is required to disclose this fact.) Sellers of individual condominium or cooperative units are not subject to the disclosure requirements. Sellers of single family homes should use the appropriate form or provide disclosure in the sales contract.
